We are very pleased to be part of the unique creation of the Sheraton Hannover Pelikan Hotel. The former pen producing factory is a real industrial-monument, and shines now in a new splendor of the New York Mansion collection fabrics designed by KOS KREBS. In 1906 the industrial building was used to manufacture "Pelikan"-pens and is now turned into a one-of-a-kind design hotel.

REFERENCE

Sheraton Hannover Pelikan Hotel

Depending on the requirements, the guest can choose between five different room types. The high ceilings and windows allow more space and light in the room and ensure a perfect multi-faceted interaction between the individual design elements.

Your fabric designs, our incentive

At KOS KREBS, we are proud of our reputation for 100% reliability. Throughout all the stages of the project, our customers are guided by a specialist adviser who works with them from the creation of the first prototype through project planning right through to final completion - all over Europe.

We ensure sound project planning

As a result of decades of experience and an insistence on detailed planning, our expertise has ensured that every commission has been completed on time. Our 100% record guarantees 100% reliability in your project planning.

Your design, your individuality

Your corporate design can be incorporated into the fabric, thanks to our ability to respond to individual specifications.
