Schumann Project – Altenkirchen

Schumann Project has created a new, multifunctional creative and working space on 600 m². The generously designed areas can be zoned with the curtains from KOS KREBS so that separate areas can be created as needed. Another benefit of the textile room dividers is their contribution to pleasant room acoustics, as they reduce sound and echoes.

Schumann Project – Altenkirchen

by
KOS KREBS

We wish all the best and creative processes in the new building and are pleased about the special appreciation of our products and work by Schumann Project.

Your ideas, our incentive

At KOS KREBS, we are proud of our reputation for 100% reliability. Throughout all the stages of the project, our customers are guided by a specialist adviser who works with them from the creation of the first prototype through project planning right through to final completion - all over Europe.

Your design, your individuality

Your corporate design can be incorporated into the fabric, thanks to our ability to respond to individual specifications.

We ensure sound project planning

As a result of decades of experience and an insistence on detailed planning, our expertise has ensured that every commission has been completed on time. Our 100% record guarantees 100% reliability in your project planning.
