

# ipartment – Darmstadt by KOS KREBS

## ipartment – Darmstadt

The serviced apartments brand ipartment opened its first fully-digitalised building in Darmstadt. The property has 180 apartments in total. Entirely in keeping with the New Work concept, ipartment offers its guests flexible co-working spaces over approximately 850 square metres. But the real highlight is the green roof terrace with a rooftop bar which provides a stage for, among others, young artists and their work.

# lpartment – Darmstadt by KOS KREBS

We are proud to be part of this groundbreaking project as textile partner and look forward to teaming up with lpartments to carry out further exciting projects.

## Your idea, our drive

KOS KREBS stands for 100 percent reliability. Because our customers have a permanent contact person from the sampling to the detailed project planning to the final acceptance - Europe-wide.

## Your design, your individuality

Because of the possibility of responding to your individual wishes, your corporate design is reflected in the fabric.

## We make your planning safe

Detailed planning and qualified execution guarantee absolute deadline security for every order. And that for decades, this makes your planning 100 percent secure.

## First of all, costs do not cost anything

We would be happy to determine estimated costs in advance without obligation and work out budget-friendly solutions for you. Ask us.
